

Job: Stagehand
Location: Carbondale, Colorado
Position Type: Part Time/Seasonal

The positions of Warehouse Operations and Stagehand are very unique to our brand and our location. This position gives the individual the opportunities to grow in the live event production industry on a daily basis. This position allows the individual to learn and understand how the entire live event production industry evolves from start to finish from warehouse assistance and operations to working on site loading/unloading and setting up venues across many different locations and event styles as well as training and working side by side some of our most professional audio, video and lighting technicians for training purposes.

The successful candidate is confident, assertive and capable of multi-tasking and meeting demanding deadlines. Candidate must be a proactive, independent worker who can thrive in a fast-paced environment. Candidate must be able to work independently or as part of a team and must have the ability to give direction, delegate, and have a high sense of detail and organization.

Key Job Responsibilities:

- Daily warehouse operations including pulling, testing and prepping gear
- Loading and unloading trucks for delivery to/from event venues
